SKILLS

PROGRAMMING
Comfortable:
•C++ • Go • Python • Java
Familiar:
• Matlab • Android

Devops:
• Docker• AWS
• GIT

Framework:
• Django • NodeJs

Operating System:
• Linux • Windows

COURSEWORK

UNDERGRADUATE
Data Structures and Algorithms
Operating Systems
Machine Learning
Software Engineering
Mobile Programming

INTEREST

•Data Structures And Algorithms
•Web Development
•Machine Learning

EXPERIENCE

SPINNY Software Developer Engineer
May 2021 - June 2021 | Gurgaon, India

HARNESS | Software Developer Engineer Intern
November 2020 - April 2021 | Bengaluru, India

GOJEK | Software Developer Engineer Intern
June 2020 - October 2020 | Bengaluru, India
